Our senior year has ended and, with the closing of this chapter, we reflect on the memories that will forever bond us together as the graduating class of 1999. Many of us have together since the days of the "Letter People" in kindergarten, spelling tests in elementary school, school dances at middle school. And all of us remember our first day at Wachusett. Trying to find our first class in a building that seemed like a maze, it seemed like our high school career would last forever. Now we are seniors and the memories we have will last forever. We have made life long friends and shared irreplaceable experiences with those at Wachusett. These four years have brought about many new situations and many changes in our lives. Take the time to reminisce about our lives as we now prepare to move on up.

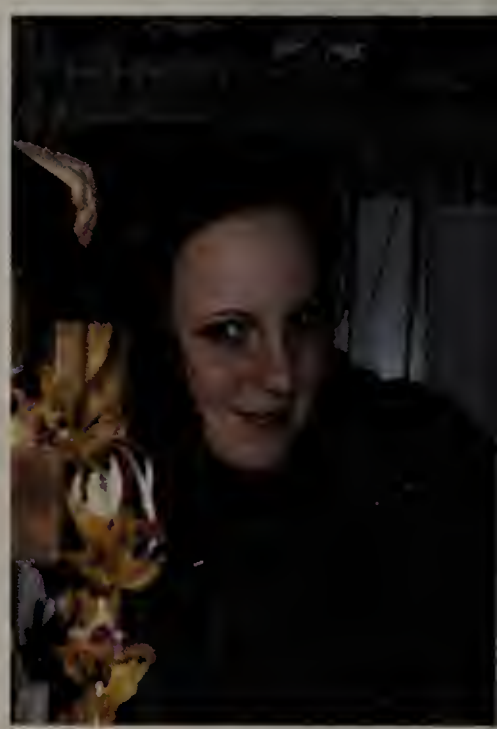
Senior Class Officers

Ryan Murphy
President

Jason Tiarks
Vice President

Jackie Gauthier
Secretary



Jackie Wuth
Treasurer

Sitting in the auditorium Freshmen year, we partook in one of our first experiences as a whole class. We held elections and the result was our first set of class officers. We elected Erin Germain as President, Beth Billings as Vice President, Secretary Jackie Gauthier, and Treasurer Marissa Recht. Sophomore year we elected Jess Erali as President, Beth Billings again as Vice President, Jackie Gauthier as Secretary, and Jackie Wuth as Treasurer. After the Junior year elections Craig Antocci was President, Jay Tiarks was Vice President, Jackie Gauthier once again was Secretary, and Jackie Wuth was Treasurer. This year, Ryan Murphy reigns as President, Sean Tiarks took over as Vice President, and Jackie Gauthier and Jackie Wuth continue as Secretary and Treasurer. These were our class officers through our years at Wachusett and all of them helped us "Move on Up" through the class events.

Another group of people that helped us "Move on Up" was the advisors. Their tireless effort and dedication was a catalyst in our success. Without them we could not have accomplished many of our class events. They deserve a big THANKS from our class. See you on our way UP!

Movin' On Up to the...

We've moved a long way up since our first day at Wachusett. Our class has endured many unique experiences. From the last Freshman Buff Day to the new Block Schedules. We watched as other classes moved on out as have other classes been moving behind us. From study halls to jello-wrestling, tragedies to good times, we've moved on up in so many ways. We'll always remember the days we've spent here and we've all impacted each other as we as a class have MOVED ON UP.

I finally made it. Thank you to all the teachers that helped me through the years. Thanks my whole family especially Megan.34071 Jess GG GA DD KK LS BC SF KTY MH D+D After soccer Games Pizza Fest.

Imagine if...

...everyone actually stood behind the red line after gym class
...teachers were cool and didn't give us homework
...Coach Jackson didn't wear skidz and was on time for class
...the football team was decent
...everyone walked on the right side of the hall
...frosh used their lockers instead of carrying huge backpacks
...there was no rotating schedule
...we had a dress code
...we had two separate high schools
...the bathroom doors weren't always locked
...we still had recess after lunch
...we didn't have to wait 45 minutes for two advil
...everyone was nice to police officers
...the punishment for being tardy was less than not coming at all
...breathing was possible in the bathrooms
...you got arrested by Officer Sherbourne
...Bill was faithful
...we loved N'SYNC like we did NKOTB
...we were threated by a $0.35 fine from the media center
...Papa Gino's pizza fest was everyday
...we got paid to go to school
...there were no bagels
...we could sit down in the hallway without causing a fire hazard
...men were from Venus and women were from Mars
...beer flowed out of the bubblers
...everyone could understand the opposite gender
...we had another year of high school
...we had to take the MCAS tests to graduate - ha, ha!!

Movin' On Up to the...

Moving on up closely behind us have been the underclassmen. They're the ones who you scream at in the halls, "Two doors!" or "Lose the backpack, that's what lockers are for!" However, not all hope is lost for these underclassmen who we look down on and say, "Ha-ha, you still have to come back here!" or "You have to take a test to graduate." Fear not, we were once the ones falling for, "Take a right at the pool." or "Yeah, I'll sell you a permanent hall pass." Soon enough you will be the top dogs and will have finally MOVED ON UP.

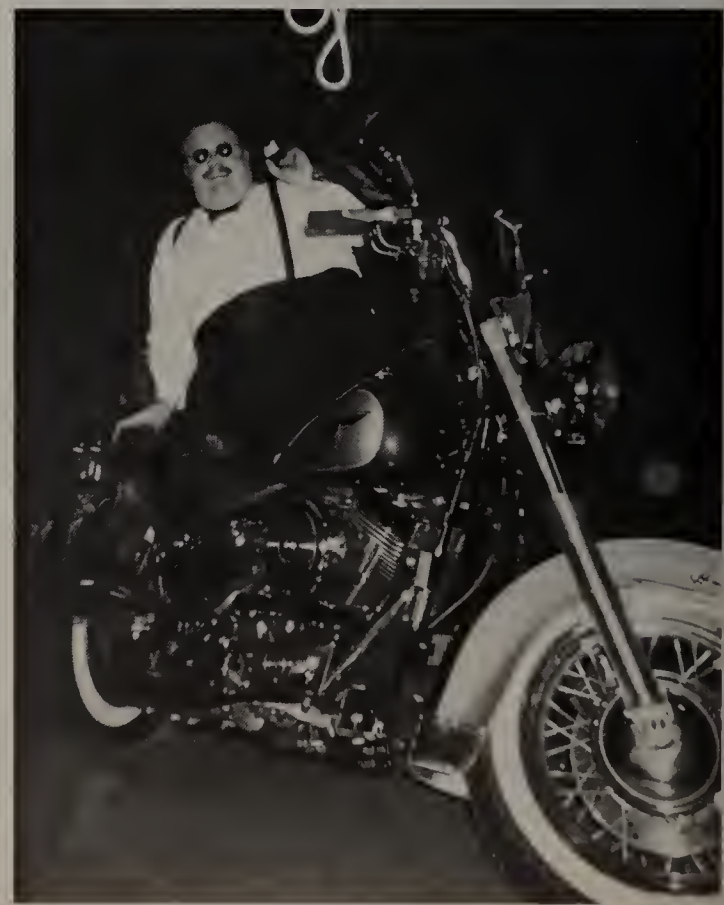
Movin' On Up to the...



There have been many people who have helped us move on up. Whether it be the teacher who stayed after school with us until we understood the Pythagorean Theorem or the guidance counsellor who wrote us a recommendation just hours before it had to be postmarked, the faculty played a key role in our development. Advisors, mentors, teachers - whatever way they affected us, there has been at least one who has encouraged us, taught us an important life lesson, or pushed us to do our best. They served as crucial steps as we've MOVED ON UP.

Dear Members of the Class of 1999:

It is a pleasure and, in fact, an honor for me to have the opportunity to address you in your yearbook. You are leaving Wachusett at a time of great controversy and change. The students that you leave behind will face a new era of student accountability in the form of state testing. They will also face a very real building crisis that may result in a very different Wachusett. The school that you are leaving may never be the same.

This should not suggest that the Class of 1999 was a stranger to change. You faced increased Time-On-Learning Requirements and a major overhaul of our schedule, and you did so with a sense of cooperation that has defined you as a class. The Class of 1999 has left a positive mark on Wachusett.

As you leave Wachusett, it is my hope that you have taken something of value with you. As an educator, it is my hope that we have given you a foundation for your further education and for your future career. And as a human being, I hope that we have given you an opportunity to grow in a positive and nurturing environment. We are a large school, but still my wish is for each of you to graduate with a feeling that Wachusett has been an important part of your life.

Congratulations and best wishes to each of you.

Sincerely,

Thomas G. Pandiscio

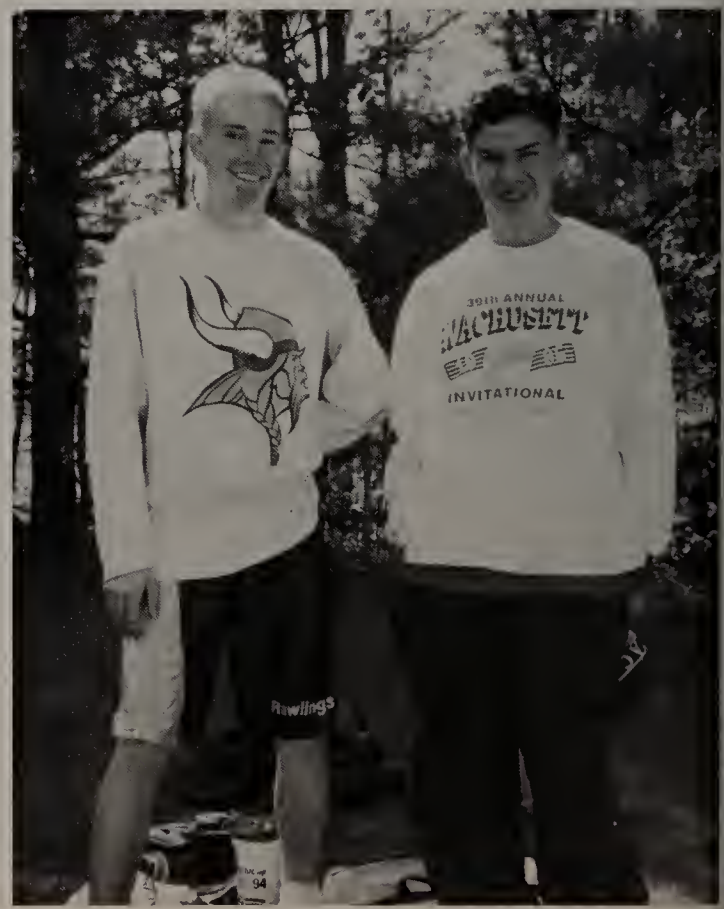
Movin' On Up to the...



One of the most exciting parts of moving on up has been the sports. Sitting on cold bleachers witnessing the boys on a Thanksgiving Day football game, standing on the sidelines as the soccer team defeats another opponent, and hearing on the morning announcements about the many achievements of the track teams, these all have been sports experiences. Many Wachusett athletes practiced day in and day out to get to the level of excellence we have established here at Wachusett. We've had triumphs and defeats, State titles and teams that gave it their all. Sports have been a great way to strive for glory as we have MOVED ON UP.

Football

This year's Varsity Football Squad was a well rounded athletic machine. The running attack was successful on basic bread and butter plays, thanks to the bulldozer like tactics of the offensive line. The defense was composed of aggresive, hardworking individuals who were forced to work harder thanks to Coach Ross's contract. Some words that hit home are; Senior day, Cromag, Big Daddy, Ah Camon, Ruckus, Fumblid, Leed, Walrus, Washed in the Wash, Puetred, 9x2=14, Where's My Bulwhip, 20 sacs, Physics is not a part of football, T-shirt All American, If I had a daughter..., Hoggies, Brain fart, Stinky, tweekage, A... Chart, Nastilize, 44 special, Ebonic Plauge.

The 1998 fall soccer season went well for the boys but came to an abrupt finish during the district quarterfinals as the #1 seeded mountaneers were upset in a shootout by a strong Nashoba team they had previously beaten. Their final season record was an impressive 15-2-2. The defensive assignments were led by senior goalkeeper Bryan "The Wall" Brisebois. In front of him was Ryan "The Master of Disaster" Murphy. The Co-captain, Murphdawg controlled the back field and allowed minimal scoring opportunities. Co-captain Jimmy Burak took the role of midfield playmaker and owned the central third. Also, Co-captain Tim Orciuch used his explosive speed and great ball controll to lead the team in goals and assists. Outside Left mid, Matt Caputo "schooled" all defenders with his shitty moves. Senior Twin Towers Mike and Co-captain Pat Webster provided strong offense and were also Central Mass leading point scores. Joel Katz, Dave Cranson, Tim Laprade, and Sean Tiarks all played quality soccer and completed the team effort. It was a great season and most of all a fun one.

Boys' Cross Country

The boys' cross-country team had a very strong season this year. Everybody grabbed huge PR's on the home course, including senior captain Pat Boehm, who broke the course record. His record should be challenged next year by the strong squad of returning juniors. Though plagued by injuries, the team completed their dual meet season undefeated and seized the League title. Though they lost Disrticts and states to a tough St. John's team, the boys were the best Wachusett has ever had. Seniors were Pat Boehm (captain), Dave Raymond (captain), Jay Tiarks (captain), Joe LePain, and Steve Bayley.

Cara Valeri won the freshman race. Ellen Beth stole the show in the sophomore race. Varsity placed 5 runners in the top ten at the District Championships winning by 84 points!! At Division One States, the girls placed third, which was a strong finish to a sucessful season.

The Girls' Volleyball team had a great second year, ending the regular season with a record of 12-8. Some memorable games were the Marlboro game away, the comeback game against Hudson, and the strong finish in districts against Arlington Catholic. There were five veteran seniors and two first year seniors on the team. Shana Suslak kept the games in control with her great setting skills and frequent saves. Steph Castellani, also a setter, had many excellent assists and good defense. Lauren had powerful attacks and killer serves, while Lisa Siemaszko shocked everyone with her consistent serving hustle. Jennifer Bourget was very strong defensively. Co-captain Cara Welsh had faultless serves and unreturnable attacks, and Co-captain Heather Reid hustled on both defense and in serving. The underclassmen on the team also had many significant contributions. Through hard work, hustle, emotion, and of course yellow jello, the girls gave the season their all and surpassed all expectations. The seniors would like to wish good luck to next year's team and thank Mrs. Burton.

Boys' Basketball

This year, the Boys' team consisted mostly of seniors and they knew that all of them would have to step up in order to acheive their goals. The first goal was to qualify for districts and the other was to win the conference title. We succeeded at making districts, but our hopes were shattered when we lost to Milford for the second time. Even though we were in districts, we were fighting for a record that would clinch a home game.

The six seniors which are recognized for this memorable season are Mark Stukowski, Chris Bagdis, Tony Fratantonio, Kurt Sandstrom, Jay Coe, and Joe Lewis. With the leadership of the tri-captains Stukowski, Fratantonio, and Bagdis, and the coaching ability of Mr. O'Brien, the seniors showed that they weren't just in it for themselves, but rather for the cause of the team. With this attitude the team was able to prove to themselves, to the newspapers, and to their opponents that they were definitely "For Real".

Some of the most notable highlights of the season were produced by seniors. Ja'Quaine Coe's most memorable moment was when he hit clutch free throws agains Leominster to help the Mountaineer's clinch a district seed. Joe Lewis' most memorable moment was when he hit four threes in route to a 14 point offensive explosion against Shrewsbury. Both Chris Bagdis and Mark Stukowski had their most memorable game at Leominster. When Stukowski stole the ball with 13 seconds left and passed it to Bagdis, they were able to stop Leominster from scoring and clinch a one point victory. Kurt Sandstrom's most memorable moment was when he took three charges against Doherty. Tony Fratantonio's most memorable moment was when he scored his career high 24 points against North Middlesex. Boys' Indoor Track

Over the past season our track team has gone through a rebuilding stage. We came off a state championship last year, but lost many key competitors. Despite this fact, the team pulled together and won The League Meet, defeating a very powerful Fitchburg team. Many seniors contributed to our season this year including Tri-Captains Pat Boehm, Darrell Perry and Tom Gusha, as well as Tim Orciuch, Matt Caputo, Mike O'Malley, Dave Raymond, Steve Bayley, Joe Lepain, and newcomers Ryan Mattison and Tim Enman. These efforts, combined with those of many talented underclassmen, produced a successful and exciting Indoor Track Season. The athletes would like to thank our coaches, Wallace, Boilard, Jordan, and Ream for leading us through this winning season.

They went on to win State Class A for the second time in the past three years and also the second time ever at Wachusett. They beat the second place, Boston Latin, by 22 points. After that meet, they won the All Class Massachusetts State Meet. They beat second place Boston Latin again by 6 points and were recognized as the best team in all of Massachusetts. This years team was led by Senior Captains Laura Smith, Caroline Banks, and Katie Litwinowich, and 2 other Seniors- Lauren Plumley and Becca Layte. The entire team wants to thank all 4 of their coaches- Brian Wallace, Tim Bollard, Martha Jordan, and Elmer Ream for all the time and effort they put into this State Championship team. Below: Dara Drawbridge: perfect form.

The 98-99 Wachusett Gymnastics season went really well. On top of gaining three freshmen we also gained a new coach. This year's team was really young because we had no seniors. However, the team was led by Junior tri-captains Brittany Miner, Mandy Bouffard, and Andrea Pellegrino. Our new coach Penny Lebeau was amazing! She was always energetic and pushing us to do our best. Our hard work paid off, we improved our scores each meet. Throughout the season we came together as a team gaining strength and depth. Special recognition goes to Ronnie Percia and Dara Drawbridge who both placed at League Meets. Ronnie received 6th place all-round and Dara was 2nd on bars. We look forward to a wonderful season next year!!!

Wrestling

The wrestling team was much improved this season, it's second, posting 4 dual meet victories, 3 top ten tournament finishes, and an 18th place finish (out of 51 teams) at the Massachusetts Division 1 Championships. The team was led by second year captain Nick Tashjian, who finished the season with a 24-11 record, a second and two third place finishes at regular season tournaments, and a fourth place finish at the Division 1 Sectionals. Justin Raevsky and A.J. Molnar also had strong seasons, but the real highlights came from first year wrestler John Melehov. John finished the season with a 31-3 record and ranked first in the state. He won 3 regular season tournaments, and placed second in another. He also won the Division 1 Sectionals and states, and the Massachusetts All-States. John was voted a T & G Heavyweight All-Star, accompanied by Tashjian who was a T and G 119 lbs honorable mention.

Starting the season ranked number two in the T&G poll proved all of the high expectations of the '99 Baseball Team. Led by five seniors returning from last year's district finalist team, Dave Cappucci (catcher), Andrew Dickhaut (pitcher), Joe White (third base), Ben Percia (shortstop), and Matt Dunn (pitcher) also made up the top five hitters in the lineup. The year was highlighted by great pitching, solid defense, and timely hitting, which culminated to the first win over Leominster at Leominster. Over the season the team had great intensity and a Never-Die attitude.

This year on the varsity softball team has been one of new beginnings. We only had four veteran players returning and were in search of fresh talent. Before tryouts, there was concern of whether we would be able to gather enough of this talent to form a strong team. But after tryouts, that was most definitely not an issue. Our '99 team consisted of five freshman, three sophomores, three juniors, and three seniors. Almost our entire starting infield was freshman including the pitcher. We played many hard-fought games where our skills were highlighted. With the leadership of tri-captains Jackie Gauthier, Lisa Siemaszko, and Jamie Lavin, we were a close-knit determined team who stuck together through the highs and the lows of the season. It's been fun and good luck next year.

The Girls' Spring Track team had a very successful season. They ended the dual meet season with an impressive record of 6-2. At the District Class A meet they pulled up a close second, losing to our arch-rival, Shrewsbury, by only 6 points. This spring there were five seniors that led the way: captains Laura Smith, Caroline Banks, and Katie Litwinowich, and Beth Billings and Sarah Coy. They needed to make the adjustment to a new coach after losing Melissa LaBelle, but Lucy Banks and Tim Boilard dedicated their spring season to helping the girls excel in both running and field events. The seniors want to thank all who helped and contributed to making their last 4 years so memorable. Good Luck to everyone next year!!

Girls' Golf

The spring of 1999 was the 2nd varsity season for the Lady Mountaineers Golf team. The returning players; Capt. Sarah Nagle, Michelle Martin, Sarah Ricardi, Jodi Ricker, Jessica O'Connor, Beth Dymek, Suzie Ladner and Beth Sullivan were joined by Newcomers; Jenn Dean, Lynn Lycuer, Lauren Bresnahan, Cristine Ressler, Amy D'eramo and Caitlin Smith, for an almost perfect season. Nagle, Martin and Ladner went to the State Golf Tournament at Woodland C.C. in Newton, where the three girls scored among the top 50 in the state. Overall, the girls improved and had fun. The team wants to give thanks to Holden Hills C.C. for being so generous and a special thanks to Coach Dennis for being so patient.

Girls' Tennis

The girls' tennis team did quite well this year. The team had a winning season, bouncing back from losing five starters this year to become a competitive squad. The team is led by senior captains Amy Desantis and Liz Hehir, who play first and second singles. Steph Sigler plays third singles and the doubles teams of senior Charise Van Lieu - Meghan Cronin and Liz Lussier - Caroline Steele have also given their team strong victories. First year Coach Bill Rasku took the team over for Ms. Curran and made the girls practice hard, but all the hard work paid off. We are very proud of the success of the team and leadership of all the seniors; Amy Desantis, Liz Hehir, Charise Van Lieu and Heather Guertin.

The Wachusett Football Cheerleaders had another great season this year Under the advisement of a new coach, Claudette White, the girls entered tournament for the first time during the fall season, placing well in competition. The addition of a JV team also helped in the overall fall spirit, and those girls will be looked upon in future years to step up to the Varsity level. The summer provided many memories for the girls in the off-season where they attended NCA camp, where Janelle Smith, Sarah Parsons, Megan DiPerri, and Shannon Mooney were all named to NCA All-American Cheerleading Team. The football team did very well this year, bringing much excitement to the games and boosting school spirit. There are many fond memories all the girls will have from this season whether it be Pep Rally, Homecoming, or the Halloween game. The seniors were Janelle Smith (captain), Sarah Parsons (captain), Megan Snyder, Dee Vigeant, and Andrea Scott. The Coaches Award was given to Jessica O'Connor, and the MVP awards went to Janelle Smith and Sarah Parsons

The Varsity Basketball Cheerleading team could not have asked for a better season. The team did great and we enjoyed pumping up for basketball games with the team with their chants (especially FOR REAL). The best memory could well be the motivational bus ride to districts with Coach Raymond, or the wins against St. Bernard's and Leominster. The cheerleading team also competed in the winter season, as they placed well in many of their tournaments and showed strong spirit through competition time. All of the girls showed determination and a great work ethic throughout the season. The "positives" were what we tried to focus on, especially after games on the bus rides home. This season proved to be strong and the seniors, Janelle Smith (captain), Sarah Parsons (captain), Megan Snyder, Dee Vigeant, and Andrea Scott, would like to wish next year's team good luck. The Coaches Awards were awarded to Bonnie Wetzel and Sarah Parsons, and the MVP award was earned by Janelle Smith.

Movin' On Up to the...

Throughout our journey of moving on up there have been numerous opportunities to join a club or two. Whether we decided to dabble in guitar in Club 236, played some ping-pong on a Friday afternoon, or decided to break dance in the hall with the Hip Hop Alliance, clubs have been here for all our extracurricular needs. Some may have needed community service hours to cover the five studies they took senior year, others poked their head into a chess club meeting to see what was up. Clubs have been a great way for all of us to get together, have fun, and MOVE ON UP.

The 1999 Yearbook staff through tireless dedication, long hours, and a lot of coffee managed to create a book we hope you find informative, entertaining, and full of memories that will always remind us of our time spent here at Wachusett. We gave up weekends, vacations, Tuesday nights, studies and any other free time we had to put together a conglomeration of our four years. We tried our best to include everyone and tried to put in a piece of all aspects of our High School lives. We sincerely hope you enjoy the book and hope it is an acurate representation of Wachusett and what Wachusett meant to you both as an individual and as a member of the Class of '99. We all had a lot of fun being on the Yearbook staff and hope that you enjoy your yearbook now and until you get old and grey and can look back on this book and remember the good old days.

Movin' On Up to the...

Throughout our years of moving on up we've participated in several events. We've gotten down 'til the break of dawn, worked endlessly on floats, and watched in awe as the Homecoming bonfire roared away. We can all remember our first pep rally, jello-wrestling, dances and plays. The events, here at Wachusett, have enriched us with fond memories and elation. Events have played an important social role in our lives here as we've MOVED ON UP.

Homecoming 1998

September 28 - October 3

For the fourth year in a row, the class of '99 crushed the competition in Spirit Week. The days for this year were p.j., clash, wacky hair, Hawaiian, and of course green and white day, followed by the ever-rowdy pep rally. The Homecoming's parade theme was household appliances. The seniors won with their massive toaster. Though the football team was not victorious, their hard-fought effort, good weather, and the dance held in the gym that night made Homecoming '98 a complete success.

A Midsummer Night's Dream

Fall Play November 14 - 17, 1998

A Midsummer Night's Dream was the first ever Shakespearean production put on by the Wachusett theatre department. It was a challenge the cast and director Doug Ingalls successfully conquered. Produced by Melanie Donegan, coreographed by Amy Gamache, costuming by Joel Seger and Maryellen Paquette, make-up by Kerri Swett.

NHS Blood Drive

December 17, 1998

WHRS's annual blood drive proved to be a huge success this year. Since the rule of needing parental permission to give blood if you are 17 was omitted, there was a large response from the student body. Even the people who suffered some of the minor side effects said that it was definitely worth it. The annual blood drive is NHS's biggest service project, and this year's coordinators were Bethany Fournier and Sarah Coy, both second year members.

Madrigal Dinner

January 28, 29, 30 , 1999

The Singers and the newly introduced Chamber Choir worked hard this year to pull off their hilarious adaptation of "The Princess and the Pea." The audience was entertained with acting, singing, and Medieval music while they ate the traditional 6 course meal. This year's King and Queen of the court were Mike Daley and Amy Halldin.

Murder Mystery Dinner

February 7, 1999

The Wachusett Stage hosted the second annual Mystery Dinner on Feb. 7. The difference this year was that its actors were members of our Drama Department, who also helped write the script. With the direction of Doug Ingalls, the cast held their own and successfully interacted the audience into the show. **Right:** The Dueling of the Divas: Miranda Carmine and Natasha in a battle of wits. **Far right:** "What is this on my dress?" **Below right:** The cast of "The Death of the Dueling Divas".

Competition Play

February 27, 1999

Saturday, February 27 marked the date for the sixty-eighth Drama Guild festival, where schools put on one act plays for competition. This was the first year WRHS has ever hosted the event. Out of the 109 schools to participate in the festival, seven were hosted at WRHS, including Quaboag, South Hadley, Minnechaug, Waconah, Oakmont, Quabbin, and Wilbraham& Monson.

Volleyball Marathon

March 12-13, 1999

This year's 17th Annual Volleyball Marathon was a huge success. All proceeds raised went to support the Mountaineers' Booster Club. With the money the Boosters help to support sports, clubs, and various extra curricular activities here at WRHS. The community, including parents, WRHS staff, and coaches, really pitched in with chaperoning, providing and preparing food, and of course, pledges. Another proud and FUN moment in WRHS history.

Many of us tries to do the perfect trick on the diving board of the pool. One of the funniest moments was when Bea Serewicz was hypnotized and was made to do all sorts of hilarious things. Excerpts from Graduation Speeches

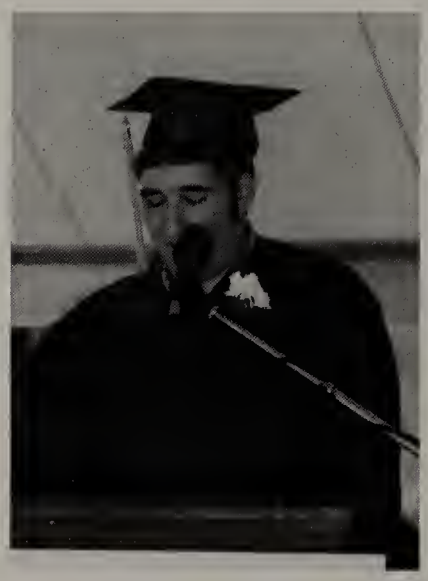
Ryan Murphy gives the "Welcome Address" with an analogy of Kon Tiki to inspire the graduates to keep on course, even though the seas may get rough.

Amy Lavoie
"Oh, the Places You'll Go!"
"It is not wrong to approach this day and the rest of our lives with such optimism. After all, even if your aspirations are so lofty that you never attain them, at least you will achieve more than if you had set your sights on a lesser goal.... Whether you wish to excel in are, science, the humanities, the military, or the work force, who can say that it's impossible?...Indeed, no one makes it alone. Our successes, as well as our selves, are made up of the thousands of other people we have know along the way....Our parents, families, teachers, and guidance counselors deserve much of the credit for us being here today. Wherever you are headed in the years to come, remember the words of the great bard (Dr. Seuss): 'you're off to Great Places! Today is your day! Your mountain is waiting. So *get on your way!*'"

Patrick Boehm
"Upon Passing That Invisible Boundary"
"Now, normally I wouldn't ask you to take just anyone's advice--and I warn you, don't ever take someone's advice if you don't agree with it--as Thoreau said, every man should 'pursue his own way, and not his father's or his mother's or his neighbor's instead.' But I think Thoreau can help us here. After all, how bad can a guy be who supported rejecting authority, disrespecting adults, avoiding taxes, and misbehaving in general and even hated politicians and lawyers? I urge you to take his advice, take control of this life you were given, and live it the best you can....This is the first time that you get to choose your own life--more or less, your future is in your hands....You simply need to, as Thoreau said, march to the beat of your own drummer, build your "castles in the air" and "suck the marrow out of life..."

Sarah Winacoo
"Classmates and Karass-mates"
"'If you find your life tangled up with somebody else's life for no very logical reasons, that person may be a member of you karass.' (Kurt Vonnegut's definition of a karass)... The great thing about a karass is that all the members are guaranteed to learn from each other. We are all so different, with such varied experiences and backgrounds, that as we find our fellow karass-mates, we are sure to learn from them....I urge all of you, on our last day together as the Class of 1999, to be open to finding you karass. You do not need to look hard, or to focus on this goal. But glance, every once in a while out of the corner of you eye...it is when you are not looking that you will meet the members of you karass. They will come to you from all corners of the world, some like yourself, some very different. And you will all enrich each other's lives...in the end it is the human connection that will make you life worthwhile."



Michael L. Penny
"Trust Me on Remembering"
"High school has been an eye-opening experience for all of us. We've grown up a lot...well, most of us, and we've learned a lot...well, again, most of us. But if I were to give you advice for the future, it would only be one word: REMEMBER. So much has happened during our four years here at Wachusett it would be a shame to just forget about it...I'll remember the feeling of seeing my first homecoming bonfire, watching some good old Jell-O wrestling, or just the thrill of getting a good grade on a paper I wrote the day it was due, not that I've ever done that. ... A wise man named Ferris Bueller once said, 'Life moves pretty fast, if you don't stop and look around once in a while, you could miss it.' So I say, look around. ...I leave you with this, think of who you are, what you've done and where you've been. Look around and remember, because remembering is important

Justin Pedigo
"The Road That Is Life"
"As we look down the long tunnel that is life, let it be it by the specter of what we have learned, the bonds we have made, and the contribution to the future for ourselves and to those not yet born. This tunnel glows and buzzes just like the florescent lights above our heads in the classrooms of our youth. We welcome the dawn with open arms. We crave it and we dive in head first. For destinies magnetic pull brings us closer together in this time of celebration....Today's world sometimes delivers us a bad hand or throws a roadblock in our way. Do not worry about this...We can over come the diversity and rise above it all. If you begin to feel small, my advice to you is to fall back on your friends. They are the nets that you have woven here at your school..."

Marissa Recht
"Lessons Learned"
"High school has made a huge impression on my life, but I know that I am not going to leave home behind and never look back. But, I also know high school is meant to prepare you to leave, not to cling on to after you go. So, I have decided to take a couple of my lessons that I have learned in high school in my trunk with me as I go out into 'The Real World.'...Lesson number one, beware of what appears to be the easiest way out...Lesson number two: If you try and fail, well , then at least you tried...but you have to move on and keep trying because one of these days you are bound to succeed....Lesson number three 'wear sunscreen'-no just kidding...too much of a good thing is not always good....Lesson number four: buy a Webster's Dictionary."

There have been some very special people who have helped us move up. Our parents and guardians have supported us in a countless number of ways as we've grown. They've been there to cheer us on during competitions and visit us at work, and experience new things. They greatly affected who we are today and who we will become. They have played the biggest part in our moving on up and for that we thank them.

The Class of '99 Thanks You for your support!!!

In Memory Of...

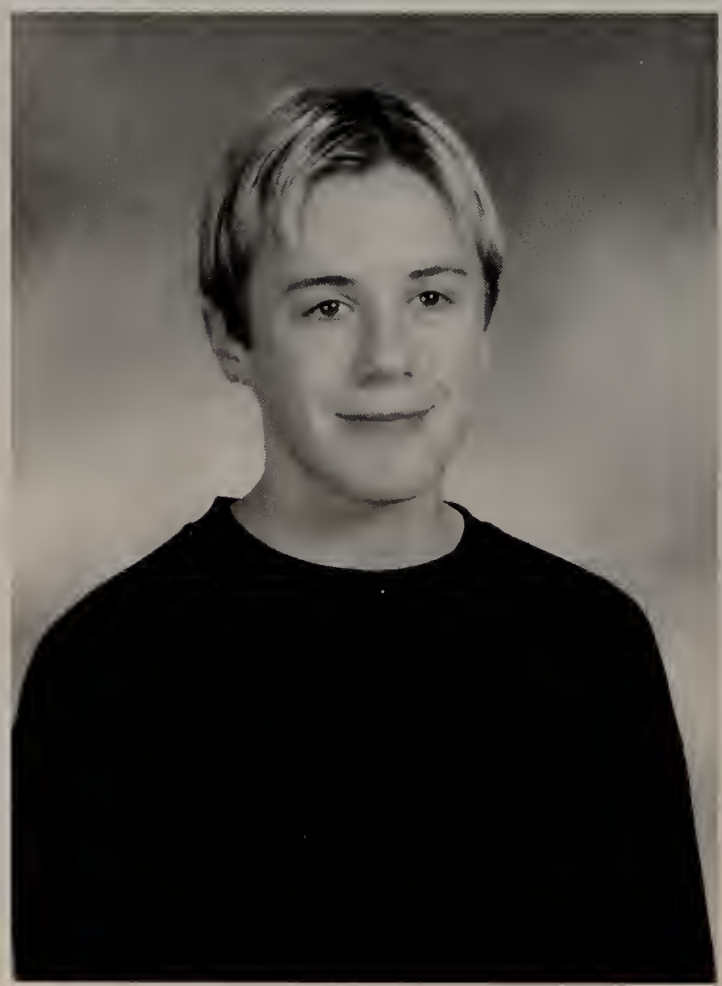
Tricia A. Mahoney
August 5, 1982 - March 25, 1999

She was such a great and beloved friend,
Why did she have to go so very soon?
Right now, her life was not supposed to end.
She's now a star in the sky with the moon.

And Tricia was the kind of girl that made
The world around her so cheerful and bright.
Her family and friends wish she could've stayed,
But think of it, she's now our guiding light.

Butterflies and purple were her style.
She always had a unique fashion sense.
She's now in heaven with the missed Kyle.
Now we have two friends for a remembrance.

I know someday in heaven I will be
With her again, and smiling at me.



Kyle Gawlick
October 31, 1983 - March 9, 1999

Kyle's loving family and friends have generously seen to it that Kyle's memory is kept alive at WRHS and throughout the entire community. Many blood drives were held in his memory including one here April 12, 1999. A scholarship was given out during the graduation ceremony on June 12, 1999 and will continue to be given annually to a female soccer player who plans to continue her education after high school. Also, the year closed with the planting of a tree in the child study courtyard during a memorial ceremony held June 14, 1999. These are a few of the public ways we will remember Kyle. There are many more private ones. He will be greatly missed.

Colophon

The **Mountaineer** is an annual publication by the Yearbook staff at Wachusett Regional High School, 1401 Main Street, Holden, Massachusetts 01520. The towns served by the high school are Holden, Paxton, Princeton, Rutland, and Sterling. The book was distributed to the class of 1999 at a class social held in mid August of 1999.

The book was printed in Winston-Salem, North Carolina at the Jostens/Hunter Publishing Division. The press run was 550 copies. The Holly Rasku of the class of '99 designed the front and back covers as well as the endsheet and divider sheet design. She was assisted in the design of the cover, by Rick Brooks of the Creative Resources Department of Jostens, and by the company representative, Arnie Lohmann.

Our cover is a school-designed Truelife Combo lithograph. The base material cover is white (#478) with the addition of mix-to-match inks. The litho-process cover has film lamination for protection. The trim size is 8.5 by 11 and Smythe-sewn. It is wrapped around 120-point binder's board. The school follows the Accent Program. The front and back endsheets are from the Cross Point paper line and are ash (#265).

The paper used throughout the book is 80 pound gloss, printed with standard black ink. Sixteen pages were printed using the standard four color process. The fonts used as the major type style include Palatino (#141) and Palatino bold (#143). Assorted other type fonts were used at the discretion of the page editor.

A current events supplement, **World Beat** (produced by Jostens) has been sewn in at the end of the book after page 280.

Senior portraits were taken by **Wayne Myers** and his associates of **Myers Studio**, Sterling, MA, the designated official yearbook photographer. (Other professional photographers did some of the senior portraits.) Athletics (both team and candids), clubs organizations, faculty, and major school events were photographed at no charge to the yearbook by **Myers Studio**. In addition the studio provided the yearbook staff with film, developing, and equipment at no additional cost. Candid photographs were taken and/or donated by various members of the class of 1999, the yearbook staff members, Myers Studio, and the advisors. **O'Connor School Portraits** photographed the underclassmen for student ID's and made these photos available to the yearbook staff at no cost.

The approximate cost of printing the book is $32,000. This figure includes publishing costs, freight charges, shipment of materials to North Carolina, color candid photography expenses (purchase of film and developing costs), and other supplies. The per copy cost to the public is $45.00. Monies are raised through an assessment to the Senior Class per student, a parent ad and patron/sponsor solicitation campaign, a business ad solicitation campaign, and the proceeds from two soda machines in the gym corridor. These 280 pages are representative of the entire Wachusett student body and their community.

SPECIAL THANKS!!!!

On this my third year as advisor to the *Mountaineer* it gives me great pleasure to be able to acknowledge a number of very special people without whom this book could have not been finished.

The first round of thanks must go to Wayne and Bev Myers of **Myers Studio** for their time and commitment. This year presented many frustrations from the photography end causing set backs, tantrums (usually mine) and delays. But your hard work and reassurance kept us on time for all our deadlines. As usual, Wayne and his staff could be counted on for the last minute "emergency" photo shoots and developing. Especially impressive this year were the senior portraits. It is my hope that the senior classes will continue to support **Myers Studio** - it sure makes my job a whole lot easier. It is the commitment of **Myers Studio** that enabled us to produce a fine quality book of which both the staff and recipients can be proud.

Secondly, thanks go to Arnie Lohmann, our company representative from Jostens Publishing. Though this was not our first year using Yeartech - it certainly didn't come without its trials. I have a feeling we will continue to lean on him during the much anticipated Y2K year. In additional to technical and artistic support, Arnie continued to be a strong moral support for our entire staff. Also from Jostens, we thank Rick Brooks from the Creative Resources Department who was kind enough to lend some valuable advice to the staff artist, Holly Rasku, in her creation of the cover

A third thanks goes to Amy Kathman and Della Ritland for numerous class lists, labels and general time saving efficiencies that made our job easier. These ladies never failed us in our needs and always came through with a smile. And of course we have the custodial staff to thank for keeping us on our toes, sweeping up our scraps, and reminding us how "hard" we were working! We'll keep feeding you pizza if you keep feeding us jokes.

Sadly, my thanks go out to our Financial Advisor Maura Goddard in this her last year on the team. Thanks Maura, for all the time you took with the ad pages and in making sure we were always in ship shape condition. You're financial mastery will be hard to match. I will miss you at our weekly meetings and deadline crunches. I know you won't be able to help coming back for a laugh or two. You'll always be the MASTER CROPPER!!

Saving the best for last - MY STAFF!!! What can I say? You make it all worth while When I go workshops and speak with other advisors I realize how lucky I am to have such a dedicated, talented and just plain nice group of kids to be working with. Although I have no choice but to deem you the "eleventh hour" staff , you never missed a deadline and never left me working alone. Extra Special Thanks go to Holly, who touched just about every section of this book and every aspect of its production and success, "Penndaug" for his moments of humor and clever captions; Jamie & GinnyRose, the events team that wouldn't be beaten, Brian, who took all my venting and *still* kept coming back, Gia, for the skill she had in whipping the senior class and its section into shape; Emily, who never complained about any assignment or failed in any task; Amy, whose independence and perseverance got the parent ads looking great; and Sarah who kept us in the money. You all went the extra mile and then some!!

To the class of 1999, please give thanks to the above mentioned people as well as those support staff members listed on page 196. Years from now you will realize what all their sacrificed weekends, vacations, sleep, study halls and social lives meant. Enjoy your memories!!!

Thanks for everything,
Lynn M. Leschke, *Mountaineer* Advisor

We, the Wachusett graduating Class of 1999, would like to thank all of the people who have helped us move up in the world. Teachers who have spent extra time with us, friends who have supported us, and parents who have guided us, have all played an important role in our lives. These people will continue to be in our hearts as we grow and mature.

With graduation, we move up into a new and different world. Our days will no longer be started with morning announcements and the pledge of allegiance. We will be faced with new responsibilities and new situations. The experiences and lessons we have gained at Wachusett, however, will guide us in our separate adult lives. We will forever be bonded as the Class of 1999.
